

Consultants In Internal Medicine

About your referral:

- Please allow 3-5 business days to process a routine referral. In some cases, where we are required to obtain Prior Authorization from your insurance plan, wait times may be longer.
- Urgent requests will take priority and you will be notified within 24 hours.
- We will notify you when your routine referral has been processed.
- Please let your Physician know if you are requesting a referral to a specific Specialist and we will make every attempt to honor your request as long as they are in network.

Thank you for your patience.
